Page

Aged, program for the:
- Employment difficulties of 72
- Health insurance for catastrophic illnesses 58, 73
- Health insurance protection beyond retirement age 52
- Health of the aged and chronic diseases 7, 394, 448, 451
- Overall program for 13, 51
- Problem of older worker 79
- Progress in 56
- Research center at National Institutes of Health 415
- Social-security benefits for 51

American Printing House for the Blind 97

B

Budget, 1958:
- Budget Bureau, action of 16
- Reductions, possibility of 15

C

Chronic unemployment areas, conditions in 81

Construction:
- Administrative policy on 20
- School construction, possibility of enactment of legislation on 19, 67, 69
- Status of 21

E

Education, Office of 4, 223
- Further endowment of colleges of agriculture and the mechanic arts 246
- High school dropouts, studies of 71
- Increase for 4, 48
- Library services, grants for 69, 249
- President's Committee on Education Beyond the High School 22, 318
- Salaries and expenses 225, 285
  - Children with defective hearing or speech, teaching of 299, 304, 1326
  - Higher educational institutions 308
  - Legislative reference 312
  - Personal services 287
  - Program direction and management 313
  - Publications services 311
  - Research and statistical services 312
  - Research program:
    - Mental retardation program 14, 44, 225, 289, 303
    - Other research projects 225, 298, 313
    - Research advisory committee 225, 292
  - Research services, planning 312
  - School assistance in federally affected areas, administration of 305
  - State and local school systems 306
  - Vocational education 306
- School construction, assistance for 272
  - New legislation:
    - Commissioner's position on 314
    - Need versus population as formula in 70, 317
    - Possibility of enactment of 19, 67, 69
  - Technical services 281
- School districts, payments to 258

Education, Office of—Continued Page
Vocational education, promotion and further development of 234
Fishery trades and industry 238, 241, 246
